

DIY Hex Nut Snowman Ornament

INSTRUCTIONS

Step 1: Select Your Nuts

1. Select 3 decreasing albanycountyfasteners.com stainless steel nuts. Ensure proper fit when stacked.

Step 2: Assemble the Body

2. Assemble body by gluing nuts (largest to smallest). Use Gorilla glue (2 hr cure time).

Step 3: Prepare the Hat

3. Choose a flange nut (or black oxide nut and washer for hat).

Step 4: Add Ribbon

4. Thread 6-inch ribbon through the top "head" nut.

Step 5: Thread Hat

5. Thread ribbon ends through the "hat" nut hole.

Step 6: Position Hat

6. Position hat centered atop head nut, pulling ribbon taut.

Step 7: Secure Ribbon

7. Knot ribbon tightly together above hat and trim.

Step 8: Embellish

8. Add any additional decorative elements using your craft supplies!

Difficulty Level: Easy

Time Required: 15 minutes (plus drying time)

Cost: Under \$10
