ANTI-STATIC
MODAFLAME™
FLAME RESISTANT

Modaflame™

Modacrylic fibers provide inherent flame resistance, excellent dimensional stability and high elastic properties which allow garments to retain their shape. High cotton content gives the fabric comfort, warmth and a soft handle. Carbon fiber woven into the fabric gives inherent anti static properties.

Flame Resistant

This industry leading range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
